

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

This application is in condition for allowance except for the presence of claims 27-31 and 43 directed to an invention non-elected without traverse. Accordingly, claims 27-31 and 43 been cancelled.

Claim 46 is canceled.

2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose or suggest the combination of the engagement plate coupled to the housing by at least one breakaway such that the at least one breakaway breaks to disengage the engagement plate from the housing, wherein the slider slides in contact with the engagement plate and a source of stored energy coupled to the engagement plate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kevin T. Truong whose telephone number is 571-272-
